

KEYNOTE SPEAKER

JEN TADIN

The permission slip you didn't know you needed.

REAL TALK. REAL CONFIDENCE. REAL RESULTS.

A keynote speaker known for radical honesty, sharp humor and the rare ability to make hard truths feel like a gift. Jen doesn't just motivate people to feel good. She activates them to be different.

Led the small business and personal insurance platform for the US retail operations of a top 3 global broker: a $220M business and 1,550 people. 22+ years in insurance, from carrier sales rep to President.

SIGNATURE TALKS

01 The Ask Muscle

Building the confidence, skill and practice to ask for what you want, at work, at home and everywhere in between.

02 The Five People You Actually Need

How to curate an intentional inner circle that tells you the truth, challenges your thinking and opens doors you can't open alone.

03 The Real Thing: Authenticity, Authority and the Brand Only You Can Build

How to lean into your authentic self, expand your executive presence and build a personal brand that works for you in every room.

04 Uninvited: Kicking Imposter Syndrome Out of the Room

Naming the inner critic, dismantling the script and reclaiming authority in rooms you were told you didn't belong in.

Every talk is tailored to your audience, industry and event theme. Available as a keynote, fireside chat, panel or workshop.

"

Jen is a dynamic addition to any conference agenda. She's an expert storyteller and presents in a way that's highly impactful, yet approachable and relatable.
